Cross Country Schooling at The Colorado Horse Park Rules & Regulations for Trainers & Riders

All riders on the cross-country schooling course must be accompanied by a trainer. A CHP employee will meet you at the Western Arena parking area upon your arrival. At that time, your required bio security paperwork for the horses will be checked. You will also be given a pinney which you are required to wear while riding and make payment for schooling the course. Please make checks payable to The Colorado Horse Park (CHP) in the amount of \$45 per rider.

All riders must wear an approved helmet and pinney. Back protectors are suggested. Trainers must carry a functioning cell phone at all times in case of emergencies.

All fences should be carefully inspected for unknown hazards before schooling.

I have received and understand the above rules and regulations and will ensure that I, and my riders, will obey and comply with these rules and regulations. As a result of not adhering to the rules and regulations, I understand there will be a \$75 fine imposed for non-compliance. If these rules and regulations are not complied with, The Colorado Horse Park reserves the right to ask you to leave the facility and may not allow you to use the facility in the future.

Thank you for your cooperation.
