HEALTH INFORMATION

IMPORTANT EQUINE HEALTH INFORMATION

It is recommended that all horses stabling on the Colorado Horse Park grounds arrive between 7:00 a.m. and 5:00 p.m. If it is necessary to arrive at any other time you must make arrangements with the show office prior to arrival.
Biosecurity@coloradohorsepark.com

Colorado Horse Park management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following the following requirements for entry to the facility.

1. A current negative coggins test is required for all horses entering the facility. Please renew before it expires, and not just before it is necessary to leave the state.
2. Statement of Health/Veterinary Health Certificate signed by a licensed veterinarian within 10 days of arrival at CHP, documenting that the horse has:
 - A. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with most recent booster being within 180 days. Written statements from Vet explaining reasons for being boosted within 180 Days MAY be accepted. IN NO CASES MAY THE BOOSTER BE OUTSIDE OF 180 DAYS. Horses not in compliance with this rule may be denied entry to the competition grounds upon request by Management.
 - B. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
 - C. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.
3. Current vaccination against WNV, EEE, WEE, Tetanus. Rabies is strongly recommended.
4. The Colorado Horse Park offers two ways for owners to provide required health documentation to gain access to the facility: Pre-Check Clearance (submission of documentation prior to arrival and providing biosecurity staff your horse's Pre-Check Clearance ID Number for quick and easy entry) and At-Gate (submission of all paperwork for inspection by biosecurity staff upon arrival to the facility). On select days, on-site vet inspections will be available for fee, for convenient Entry Health Pass to the facility (CHP Health Pass is valid for one entry only and would replace the requirement for a Veterinary Health Certificate). Details will be available as of April 1, 2017 at www.coloradohorsepark.com. Please monitor the Colorado Horse Park web site for updates and/or health alerts, as entry protocol may change with the occurrence of any active illness cases in the State.
5. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Colorado Horse Park Management and the Official Veterinarian. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
6. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horse's and your neighbor's horse's health.
7. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. CLASS ENTRIES

Classes may only be entered by using the official class number, whether on the entry blank or on the Official Add/Scratch Form. The writing of a division name or class name will not constitute an entered class. All declarations must be made in the office or online by 4PM the day before the class is scheduled. Faxed entries are not accepted. NO EXCEPTIONS

CLASS DECLARATIONS

All classes with a posted order of go must be declared by 4 pm on the day before the class. Any class number written on the entry blank constitutes a declaration.

NON-SHOWING HORSE

A horse may be entered as "NON-SHOWING" on the original entry form at the time the entry blank is submitted by writing "Non-Showing" in the area of the entry blank where classes would normally be entered. An Official "Non-Showing Horse" is required to pay the stall fee and a \$100 Non-Showing Fee in addition to the Office Fee. An Official "Non-Showing Horse" who ultimately enters classes and competes, is considered a post entry.

EQUITATION ENTRIES

Equitation Riders MUST wear the entry number of and ride the horse they entered the class on. Substitutions must take place by scratching and adding the class in the office. Any rider who competes on a horse they did not enter on will be considered a "Not Entered and Did Compete" and will pay the penalty entry fee in addition to the entry fee on the horse they originally entered on.

ENTRY/CROSS ENTRY

Exhibitors are responsible for a knowledge of the Rules and Regulations governing the horse show and for their own errors and omissions. In the case of a violation of a cross entry restriction, the exhibitor will forfeit the entry fee, class placing and prize money award.

ADDS

Class adds may only be made in the Horse Show Office on the Official Form. No faxed or mailed adds will be accepted (only online or in person). Adds must be received by 4pm the day prior to the start of the class, not just before the class starts. Same-day adds will be granted at management's discretion. Any other method WILL NOT be considered valid. For scheduling purposes class adds must be declared by 4pm on the previous day. Upon arrival at the show please check the status of day adds in the Office. If entries warrant, same day adds may not be allowed.

SCRATCHES

Scratches must be made in the Horse Show Office on the Official Form. NO Faxed or Mailed scratches (only online or in person), and must be received prior to the start of the first class entered. Any other method WILL NOT be considered valid. Once a class begins (Hunters) or once course walk opens (Jumpers), it may not be scratched, except for a Vet Scratch. If a Vet Scratch, the horse must be scratched on the same day of the class/classes scratched in the Horse Show Office on the Official Form and the Official Vet's Certificate must be received in the Show Office by close of business that day.

SHOW SCRATCH

A horse that is scratched from a show prior to the start of the first class entered forfeits the \$50 office fee.

SUBSTITUTIONS

Under the same ownership, a new horse may be substituted for a scratched horse. If the scratched horse is not stabled at the show, the substitute horse may assume the commitment and payment for the scratched horse's stall. A \$50 office fee will be required for the substituted horse.

ENTERED AND DID NOT COMPETE

Any exhibitor who does not compete in class/classes in which the exhibitor is officially entered, and does not scratch according to the Scratch Procedures outlined above, will be billed for the class/classes. You MUST do your paperwork in the Show Office in order to avoid this penalty.

NOT ENTERED AND DID COMPETE

Horses shown in a class without being officially entered will pay a penalty entry fee of \$25. You MUST do your paperwork in the Show Office in order to avoid this penalty.

After the closing date of entries, only pre-paid entry fees are refundable if in compliance with the SCRATCH policy. Scratches prior to the start date of the horse show are eligible for a refund of 50% of the nominating fee.

Requests for refunds must be submitted within 30 days of the completion of the horse show. If eligible for a refund, checks will be mailed within 30 days of the request. PROTECTIVE HEADGEAR

(Excerpt from USEF Rule GR801)

1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented.
2. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/ jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.
3. Except as may otherwise be mandated by local law, all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.
4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest.
5. See DC117.6.3 for protective headgear requirement in Combined Driving.
6. See DR120 for protective headgear requirement in Dressage.
7. Except as may otherwise be mandated by local law, the Federation strongly encourage all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show

Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation).
10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge. Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding).
11. Refer to EQ109.1 and HU127.

GENERAL AND ANIMAL WELFARE POLICY FOR RIDER, TRAINER, OWNER, AND GROOM

Upholding the welfare of the horses exhibited here is of primary concern The Colorado Horse Park. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times while the horse is on the show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR302 (which defines the USEF's policy on abuse), GR806 (which pertains to Poling), and GR320 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well-being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light and eliminate those training methods which may be misconstrued, we are maintaining the following policy in all areas of the horse show grounds, starting one half hour before the first scheduled class of the horse show and continuing until the last scheduled class of the horse show is completed.

POLING AND OFFSETS

Manual poling and or the use of bamboo pole offsets are prohibited. Any rider or trainer found poling or using offsets, as well as the horse or pony involved, will be immediately eliminated from the class where the incident occurred, be suspended for a twenty-four hour period starting from the time of the incident and will forfeit all entry fees. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show and all stabling, nomination and entry fees will be forfeited.

USE OF WHIPS AND SPURS

Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses their whips or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, may be suspended from further showing for a twenty-four hour period starting from the time of the incident. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show in which the violations occurred and all stabling fees, nomination fees and entry fees will be forfeited. All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's

As with all drugs, side effects may occur. In field studies, the most common side effects reported were signs of discomfort or nervousness, colic, and/or pawing. OSPPOS should not be used in pregnant or lactating mares, or mares intended for breeding. Use of OSPPOS in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.dechra-us.com or call 866.933.2472.

OSPPOS[®] (clodronate injection)

Bisphosphonate
For use in horses only.

Brief Summary (For Full Prescribing Information, see package insert)

CAUTION: Federal (USA) law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Clodronate disodium is a non-amino, chloro-containing bisphosphonate. Chemically, clodronate disodium is (dichloromethylene) diphosphonic acid disodium salt and is manufactured from the tetrahydrate form.

INDICATION: For the control of clinical signs associated with navicular syndrome in horses.

CONTRAINDICATIONS: Horses with hypersensitivity to clodronate disodium should not receive OSPPOS.

WARNINGS: Do not use in horses intended for human consumption.

HUMAN WARNINGS: Not for human use. Keep this and all drugs out of the reach of children. Consult a physician in case of accidental human exposure.

PRECAUTIONS: As a class, bisphosphonates may be associated with gastrointestinal and renal toxicity. Sensitivity to drug associated adverse reactions varies with the individual patient. Renal and gastrointestinal adverse reactions may be associated with plasma concentrations of the drug. Bisphosphonates are excreted by the kidney; therefore, conditions causing renal impairment may increase plasma bisphosphonate concentrations resulting in an increased risk for adverse reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Administration of bisphosphonates has been associated with abdominal pain (colic), discomfort, and agitation in horses. Clinical signs usually occur shortly after drug administration and may be associated with alterations in intestinal motility. In horses treated with OSPPOS these clinical signs usually began within 2 hours following administration of OSPPOS.

Bisphosphonates affect plasma concentrations of some minerals and electrolytes such as calcium, magnesium and potassium, immediately post-treatment, with effects lasting up to several hours. Caution should be used when administering bisphosphonates to horses with conditions affecting mineral or electrolyte homeostasis (e.g. hyperkalemic periodic paralysis, hypocalcemia, etc.).

The safe use of OSPPOS has not been evaluated in horses less than 4 years of age. The effect of bisphosphonates on the skeleton of growing horses has not been studied; however, bisphosphonates inhibit osteoclast activity which impacts bone turnover and may affect bone growth.

Bisphosphonates should not be used in pregnant or lactating mares, or mares intended for breeding. The safe use of OSPPOS has not been evaluated in breeding horses or pregnant or lactating mares. Bisphosphonates are incorporated into the bone matrix, from where they are gradually released over periods of months to years. The extent of bisphosphonate incorporation into adult bone, and hence, the amount available for release back into the systemic circulation, is directly related to the total dose and duration of bisphosphonate use. Bisphosphonates have been shown to cause fetal developmental abnormalities in laboratory animals. The uptake of bisphosphonates into fetal bone may be greater than into maternal bone creating a possible risk for skeletal or other abnormalities in the fetus. Many drugs, including bisphosphonates, may be excreted in milk and may be absorbed by nursing animals.

Increased bone fragility has been observed in animals treated with bisphosphonates at high doses or for long periods of time. Bisphosphonates inhibit bone resorption and decrease bone turnover which may lead to an inability to repair micro damage within the bone. In humans, atypical femur fractures have been reported in patients on long term bisphosphonate therapy; however, a causal relationship has not been established.

ADVERSE REACTIONS: The most common adverse reactions reported in the field study were clinical signs of discomfort or nervousness, colic and/or pawing. Other signs reported were lip licking, yawning, head shaking, injection site swelling, and hives/pruritus.

United States Equestrian Inc. Entry Agreement
I have read the United States Equestrian Federation, Inc. ("the Federation") Entry Agreement (ER9065), as printed in the Prize List for this competition and agree to all of its provisions. I understand and agree that by entering this competition, I am subject to Federation Rules, the Prize List, and local rules of the competition, and agree that any actions against the Federation must be brought in New York State, release, assumption of risk, Waiver and indemnification. This document waives important legal rights, read it carefully before signing. I AGREE in consideration for my participation in this competition to the following: I AGREE that the "Federation" and "Competition" as used above includes all of their officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations. I AGREE that I choose to participate voluntarily in the competition with my horse, as a rider, driver, handler, vaulter, longeur, fesser, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the competition involve inherent dangerous risks of accident, loss, and serious bodily injury, including broken bones, head injuries, trauma, pain, suffering, or death ("Harm"). I AGREE to hold harmless and release the Federation and the competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the competition. I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the competition. I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the competition and to hold them harmless with respect to claims for Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR80 and, if applicable, EVID and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf. I represent that I have the requisite training, coaching and abilities to safely compete in this competition. I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form. BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.
