IMPORTANT EQUINE HEALTH INFORMATION

It is recommended that all horses stabling on the Colorado Horse Park grounds arrive between 7:00 am and 5:00 PM. If it is necessary to arrive at any other time you must make arrangements with the show office prior to arrival. (719) 338-0854.

Colorado Horse Park management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following the following requirements for entry to the facility.

1) A current negative coggins test is required for all horses entering the facility. Please renew before it expires, and not just before it is necessary to leave the state.

2) Statement of Health / Veterinary Health Certificate signed by a licensed veterinarian within 10 days of first arrival at CHP, documenting that the horse has:

1. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with most recent booster being within 180 days. Written statements from Vet explaining reasons for being boosted within 180 Days MAY be accepted. IN NO CASES MAY THE BOOSTER BE OUTSIDE OF 180 DAYS. Horses not in compliance with this rule may be denied entry to the competition grounds upon request by Management.
2. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
3. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.

3) Current vaccination against WNE, EEE, WEE, Tetanus and Rabies is strongly recommended.

4) The Colorado Horse Park offers two ways for owners to provide required health documentation to gain access to the facility: Pre-Check Clearance (submission of documentation prior to arrival and providing biosecurity staff your horse's Pre-Check Clearance ID Number for quick and easy entry) and At-Gate (submission of all paperwork for inspection by biosecurity staff upon arrival to the facility). Please monitor the Colorado Horse Park web site at for updates and/or health alerts, as entry protocol may change with the occurrence of any active illness cases in the State.

5) You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Colorado Horse Park Management and the Official Veterinarian. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

6) Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horse's and your neighbor's horse's health.

7) Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.
