HORSE HEALTH INFORMATION

IMPORTANT EQUINE HEALTH INFORMATION

We strongly recommend all horses stabling on the Colorado Horse Park Grounds arrive between 8:00 a.m. and 5:00 p.m. If it is necessary to arrive at any other time you must make arrangements prior to arrival. Please contact:

LEG Horse Shows and Events Management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by adhering to the following requirements for entry to facility.

1. A current negative Coggins test is required for all horses entering the facility. Please renew before it expires, and not just before it is necessary to leave the state.
2. Statement of Health/Veterinary Health Certificate signed by a licensed veterinarian within 10 days of arrival at CHP, documenting that the horse has:
 - A. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with the most recent booster being within 180 days. Written Statements from Vet explaining reasons for being bolstered within 180 Days MAY be accepted. IN NO CASES MAY THE BOOSTER BE OUTSIDE OF 180 DAYS. Horses not in compliance with this rule may be denied entry to the
 - B. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
 - C. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.
3. Current vaccination against WNV, EEE, WEE, Tetanus. Rabies is strongly recommended.
4. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to LEG Horse Shows and Events Management and the Official Veterinarian. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
5. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra horses on a horse van, or moving from stable to stable is the fastest way to compromise your horse's and your neighbor's horse's health.
6. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.
7. All paperwork must be in the **horses show name**.

Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. THE JOY OF TRAVEL FOR ALL

Show Jumping Hall of Fame Jumper Classic Series

The Show Jumping Hall of Fame Jumper Classic Series is designed to give amateur/amateur-owner and junior riders an opportunity to compete at higher levels and serves as a proving ground for many riders who aspire to someday represent the United States in international competition.

With classes at approximately 100 horse shows across the country, the Series hosts separate junior and amateur/amateur-owner divisions in two Conferences - East and West. Series standings are used to help determine junior and amateur/amateur-owner entries for the National Horse Show and the International Jumping Festival.

Series winners receive year-end awards, and the Series offers Year-End championship Finals for junior and amateur/amateur-owner riders at the National Horse Show and the International Jumping Festival.
