AMERICAN HOBBY HORSE

A favorite free event Saturday afternoons in July and October, the worldwide sport of hobby horsing debuted in America at TIEC in 2017. All that's required for this sport is a hobby horse, a toy consisting of a stick with a horse head that participants "ride." Riders complete a course of jumps with their hobby horse, scored for time, incurring faults for every rail knocked down. Ribbons are awarded to top scores per division, as well as special awards. Pre-registration is required online in advance. Now open to participants four through 15+!

COMPETE

Hunters/Jumpers

Tryon Resort offers first-class facilities for all equestrian disciplines, showcasing Dressage, Driving, Equitation, Eventing, Hunters, Jumping, Mounted Games, Para Dressage and multidiscipline events throughout the year. Boasting 13 all-weather, state-of-the-art competition rings, an Indoor Complex, more than 1,400 permanent stalls, air-conditioned bathrooms and ample shaded spectator areas, TIEC is the nation's premier horse show venue and provides an unparalleled competitor experience. Hunter/Jumper competitions are the backbone of TIEC's annual competition calendar, available at [Tryon.com/compete](https://www.tryon.com/compete).

Eventing

Eventing is a formidable combination of Dressage, Cross-Country, and Show Jumping, done over multiple days with the same horse for each phase of competition. Known as the triathlon of the equestrian world, Eventing tests both the horse and rider in all aspects of horsemanship and athleticism. TIEC hosts both national and international Eventing competition throughout the year, all open to the public including Cross-Country competition on the famed White Oak Cross-Country Course. Learn more at [Tryon.com/eventing](https://www.tryon.com/eventing)

shanno

Dressage & Para Dressage

Defined by the Federation Equestrian International (FEI) as “the highest expression of horse training,” the sports of Dressage and its Paralympic counterpart, Para Dressage, are frequently showcased at TIEC through both national and international competition. In Dressage, classes compete in “tests” per level of training, and Freestyle competition is set to music. Competition schedules can be found at [Tryon.com/dressage](https://www.tryon.com/dressage).

Driving

Like the sport of Eventing, but with a horse-drawn carriage, the sport of Driving tests a handler's skills over three phases - Dressage, Marathon, and Cones - in Singles, Pairs, and Four-in-hand divisions. This sport demands horse-and-driver communication, finesse, and teamwork through three challenging phases of competition. Contests can be found at TIEC in spring and fall seasons, with full details at [Tryon.com/driving](https://www.tryon.com/driving).

Special Events

There is always something exciting going on at Tryon Resort. From professional bull riding to steeplechase horse races at the Tryon Block House Races, music festivals, car shows, Spartan obstacle course and trail races, as well as holiday events in every season of the calendar, there's something for everyone. Come play with us, and check [Tryon.com/allevents](https://www.tryon.com/allevents) to see what's coming up next.

Spectator's Guide

What am I watching? With so many equestrian sports featured throughout the year, we've created a handy spectators' guide to equestrian disciplines often seen at TIEC. You can explore horse show FAQ, discipline explanations, and learn what to expect before you're in the stands. Visit [Tryon.com/spectators](https://tryon.com/spectators) to learn more about the horse sports we love!

WORKING HARDER

to Keep You Healthier

The key to a great competition is preparation.

Learning to practice the right things right is the most significant first step to having a successful competition. Incorporating hill work, cavaletti work, and jumping not only challenges your horse's intellect, but it also ensures a well-rounded fitness regime.

Likewise, at St. Luke's, we know that we need to practice the right things right to become a better hospital. It's been arduous work, but we've earned **5-Stars** for patient experience. There are 6,146 hospitals in the United States. And we are one of only 266 hospitals nationwide to make this distinction.

The intentional practice has made us a much better hospital. Compare for yourself at [medicare.gov/hospitalcompare/search.html](https://www.medicare.gov/hospitalcompare/search.html)

Stop #1: Legends Plaza - The Carousel

You cannot enter Legends Plaza without seeing the hand-painted Venetian carousel that adorns the entrance. This iconic structure was installed at the onset of construction in 2014 as a reminder to everyone that our love for horses often begins in the innocence of our childhood imaginations. The carousel at TIEC typically runs on weekends and is always free and open to the public to ride.

Stop #2: Legends Plaza - The Restaurants

Legends Plaza is the hub of TIEC! Here, you will find our spacious plaza anchored by several restaurants including Blue Ginger Sushi, Legends Grille, Campagna Italian Cuisine and Roger's Diner. For menus and hours of operation, visit Tryon.com/Dining.
