Flies drink 4 cups of horse blood every 10 days.¹

Don't let them feast. With each bite, the risk of transmitting disease increases. Stop ticks, flies, gnats and mosquitoes before they start with UltraShield® EX. Its sun, sweat and water-resistant formula kills and repels them for up to 17 days.

OSPPOS[®]
(clodronate injection)

FOR EVERY EQUINE DISCIPLINE

The intramuscular bisphosphonate injection for control of clinical signs associated with Navicular Syndrome

Learn more online
www.dechra-us.com
www.osphos.com

As with all drugs, side effects may occur. In field studies and post-approval experience the most common side effects reported were signs of discomfort, nervousness, and colic. Other signs reported were: renal insufficiency/failure, anorexia, lethargy, hypercalcemia, behavioral disorders, hyperkalemia, hyperactivity, recumbency, hyperthermia, injection site reactions, muscle tremor, urticaria, hyperglycemia, and fracture. In some cases, death has been reported as an outcome of these adverse events. The safe use of OSPPOS has not been evaluated in horses less than 4 years of age or breeding horses. OSPPOS should not be used in pregnant or lactating mares, or mares intended for breeding. NSAIDs should not be used concurrently with OSPPOS. Concurrent use of NSAIDs with OSPPOS may increase the risk of renal toxicity and acute renal failure. Use of OSPPOS in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.dechra-us.com.

CAUTION: Federal law restricts this drug to use by or on the order of licensed veterinarian.

OSPPOS[®] (clodronate injection)

Bisphosphonate. For use in horses only.

Brief Summary (For Full Prescribing Information, see package insert)

CAUTION: Federal (USA) law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Clodronate disodium is a non-amino, chloro-containing bisphosphonate. Chemically, clodronate disodium is (dichloromethylene) diphosphonic acid disodium salt and is manufactured from the tetrahydrate form.

INDICATION: For the control of clinical signs associated with navicular syndrome in horses.

CONTRAINDICATIONS: Horses with hypersensitivity to clodronate disodium should not receive OSPPOS.

WARNINGS: Do not use in horses intended for human consumption.

HUMAN WARNINGS: Not for human use. Keep this and all drugs out of the reach of children. Consult a physician in case of accidental human exposure.

PRECAUTIONS: As a class, bisphosphonates may be associated with gastrointestinal and renal toxicity. Sensitivity to drug associated adverse reactions varies with the individual patient. Renal and gastrointestinal adverse reactions may be associated with plasma concentrations of the drug. Bisphosphonates are excreted by the kidney; therefore, conditions causing renal impairment may increase plasma bisphosphonate concentrations resulting in an increased risk for adverse reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Administration of bisphosphonates has been associated with abdominal pain (colic), discomfort, and agitation in horses. Clinical signs usually occur shortly after drug administration and may be associated with alterations in intestinal motility. In horses treated with OSPPOS these clinical signs usually began within 2 hours of treatment. Horses should be monitored for at least 2 hours following administration of OSPPOS.

Bisphosphonates affect plasma concentrations of some minerals and electrolytes such as calcium, magnesium and potassium, immediately post-treatment, with effects lasting up to several hours. Caution should be used when administering bisphosphonates to horses with conditions affecting mineral or electrolyte homeostasis (e.g. hyperkalemic periodic paralysis, hypocalcemia, etc.).

The safe use of OSPPOS has not been evaluated in horses less than 4 years of age. The effect of bisphosphonates on the skeleton of growing horses has not been studied; however, bisphosphonates inhibit osteoclast activity which impacts bone turnover and may affect bone growth.

Bisphosphonates should not be used in pregnant or lactating mares, or mares intended for breeding. The safe use of OSPPOS has not been evaluated in breeding horses or pregnant or lactating mares. Bisphosphonates are incorporated into the bone matrix, from where they are gradually released over periods of months to years. The extent of bisphosphonate incorporation into adult bone, and hence, the amount available for release back into the systemic circulation, is directly related to the total dose and duration of bisphosphonate use. Bisphosphonates have been shown to cause fetal developmental abnormalities in laboratory animals. The uptake of bisphosphonates into fetal bone may be greater than into maternal bone creating a possible risk for skeletal or other abnormalities in the fetus. Many drugs, including bisphosphonates, may be excreted in milk and may be absorbed by nursing animals.

Increased bone fragility has been observed in animals treated with bisphosphonates at high doses or for long periods of time. Bisphosphonates inhibit bone resorption and decrease bone turnover which may lead to an inability to repair micro damage within the bone. In humans, atypical femur fractures have been reported in patients on long term bisphosphonate therapy; however, a causal relationship has not been established.

ADVERSE REACTIONS: The most common adverse reactions reported in the field study were clinical signs of discomfort or nervousness, colic and/or pawing. Other signs reported were lip licking, yawning, head shaking, injection site swelling, and hives/pruritus.

The rider must be a current Active USEF and USHJA Junior or Amateur member in good standing (see GR202.1 & HU 100). Each rider's Zone is determined by the rider's point state as recorded with USEF as of December 1, 2018.

B. The horse must be registered with USHJA (see HU 101.1) and recorded with USEF pursuant to USEF GR 1102, in good standing under USEF rules, and shown under the owner of record who must be an Active member of USHJA and the USEF (see GR 1110.3).

C. As part of the application process, the rider, parent (if rider is under 18 years of age), and horse owner(s) certify that they have read and understand the USEF Code of Conduct, and agree to be bound by it.

II. Application

A. Each rider will submit an application and application fee to USHJA in order to be considered for a team. Applications must be received in the USHJA office no later than 60 days prior to the start of the Zone's 2019 Championship.

B. The qualifying standings will be based on the hunter increment point chart used to calculate Zone HOTY standings (per GR1131.5) and will display current point totals. A box will be added for the Children's/Adult Amateur Regional Hunter Championships to indicate if a rider has applied to the program. IX. Judging System

A. Team Competition

1. The Under Saddle phase of the Team Competition shall be judged by one panel and numerically scored on quality, movement, manners and way of going. One panel will be designated to judge the Children's Under Saddle and the other will judge the Adult Amateur Under Saddle during the Team Competition. For the Individual Competition, panels will be designated to judge the opposite group that they judged during the Team Competition. Riders will be placed in groups of 10 for the under saddle phase. Groups determined by random draw.
2. The Over Fences phases of the Team Competition shall be judged and numerically scored on quality, movement, jumping style, manners and way of going by two panels.
3. No judging panel may award the same base score to any two competitors in any one phase.
4. The scores of both judging panels will be added together to determine the total score of each horse-and-rider combination for each over fences phase.
5. Each team of four will discard its lowest horse- and-rider combination's overall score. The remaining three horse-and-rider combinations' total scores will be added together to determine the team's score. A team with three riders will not discard any score.
6. Each team's overall score is determined by adding together the team's scores from all three phases.
7. If a horse-and-rider combination is eliminated in any phase, they are still eligible to compete in any additional phases.

B. Individual Championship

1. The Under Saddle phase of the Individual Championship shall be judged and numerically scored on quality, movement, manners and way of going by one panel. One panel will be designated to judge the Children's Under Saddle and the other will judge the Adult Amateur Under Saddle during the Team Competition. For the Individual Competition, panels will be designated to judge the opposite group that they judged during the Team Competition. Riders will be placed in groups of 10 for the under saddle phase. Groups determined by random draw.
2. The Classic Hunter Derby phase of the Individual Competition shall be judged and numerically scored on quality, movement, jumping style, manners, and way of going. After the judging panel's base score is given, one point will be added for each high option fence jumped.
3. The Handy Hunter phase of the Individual Championship shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judging panel's base score is given, one point will be added for each high option fence jumped.
4. The Option Bonus Score of one additional point per judging panel must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of three points per judging panel).
5. No judging panel may award the same base score to any two competitors in any one phase.
6. The scores of both judging panels will be added together to determine the total score of each horse-and-rider combination for each phase.
7. The total score of each horse-and-rider combination in each phase will be added together to determine each horse-and-rider combination's overall score.
8. If a horse-and-rider combination is eliminated in any phase, they are still eligible to compete in any additional phases.

X. Tie Breaking Procedures

A. Team Championship

1. No judging panel may award the same base score to any two competitors in any one phase.
2. All ties in the overall results will be broken by the single highest base score given to any one team member by the designated tie breaking judging panel in the second over fences phase.
3. There will NOT be a jump off for tied teams.

B. Individual Championship

1. No judging panel may award the same base score to any two competitors in any one phase.
2. All ties in all phases will be broken by the base score, before adding height bonus points, of the designated tie breaking judging panel.
3. All ties in the overall results will be broken by the second phase base score, before adding height bonus points, of the designated tie breaking judging panel.
4. There will NOT be a jump off for tied horses.

XI. Starting Order for the Team and Individual Championships:

A. Team Competition - The order in which the teams will compete in the Team Competition will be determined by a random draw and the order will be followed for both over fences phases. The order of go for the team will be determined by the Chef d'Equipe and will be followed for both over fences phases.

B. Individual Competition - The starting order for the Classic Hunter Derby phase will be determined by a random draw. The starting order for the Handy Hunter phase will be according to the reverse order of scores earned in the Classic Hunter Derby phase, with the lowest score returning first.

C. Under Saddle Phases – Riders will be placed in groups of 10 for the under saddle phase in both the Team and Individual Competitions. Groups determined by random draw.

XII. Tack, Equipment and Attire

C. Proper attire is required (i.e., riding clothes or proper attire which an exhibitor would wear to compete in a model class).

- D. All horses must be presented at the Official Jog with their actual competition number and wearing a conventional hunter bridle, including noseband.
- E. The judging panel for the Official Jog shall consist of the competition veterinarian and one judge from each of the judging panels.
- F. The jog surface must be level. Horses shall be evaluated from the side.
- G. If a horse does not pass the jog; the exhibitor may request to re-present the horse to the panel of officials present during the original jog. The officials may decide to allow the horse to re-present at any time up to one hour prior to the start of the first phase of the Team Competition. Following consultation with the veterinarian, the decision of the participating judge(s) is final and binding and not subject to further appeal of any kind.
- H. Horses not accepted at the re-inspection and jog for soundness will not be allowed to compete in the Championships or the competition during which the Championships are held for a period of 48 hours following the horse inspection.

XIV. Horse Restriction

- A. Horses must wear their competition numbers while on the competition grounds. Different color back numbers will be provided to the horses entered in the Championship if held in conjunction with another competition.
- B. Commencing with the start of the Official Jog, the following restrictions apply to the competing rider and their horse:
- Only the competing rider may be mounted on the horse he/she is competing in the Championship until that horse has completely finished competing in the Championship

A. Circumstances which may qualify as extraordinary circumstances include, but are not limited to: travel/distance challenges for athletes and horses, density of available athletes, ability to offer, promote and conduct an event and lack of suitable host venues. Any such request for an exemption under this section will be addressed on a case-by-case basis by the Executive Committee and their decision shall be final and cannot be appealed.

FEI

**For FEI class information, entry fee and class specifications see FEI section definite schedules at www.fei.org.
The FEI Definite Schedule supersedes any information regarding FEI classes/competitions that is printed in this prize list.**

FEI COMPETITORS IMPORTANT INFORMATION

Exhibitors are responsible for having their Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Definite Schedule each week. Definite entries must be made to your Federation by the Thursday prior to the competition week. This Federation weekly declaration is the automatic nomination into the Jog. The Horse Show Office will determine the entries for each and every FEI week based solely off of the Definite Entries submitted on the FEI Entry System for that week. The athlete must manually withdraw any horse he/she does not plan to show before the jog to avoid paying the Late Withdrawal Fee as indicated in the FEI Schedule. Proper entries and withdrawals in the Jog are the sole responsibility of the athlete. We ask that you only declare the number of horses that are allowed each week. We will allow substitutions made by Federations up until 1 hour prior to the Jog/Horse Inspection.

Class Declarations must be done in the Horse Show Office each week on an official Add/Scratch sheet no later than 4:00pm the day before the class is held unless otherwise noted. Declarations made after that time may be accepted by Management only and, if accepted, will result in that horse going first in the order (draw) in the competition in question.

FEI STABLING: Please notify the Stabling Office each week BEFORE the Jog/Horse Inspection/stabling time to secure your stall location. FEI Entry Fee includes one stall. Additional FEI stalls, if available, are \$300.00 per additional stall per week. Unless otherwise stated in the FEI Definite Schedule, stables are open to FEI horses on Tuesday at 8:30am and all horses must be in FEI stabling no later than Tuesday at 11:30am each week. All horses living in FEI stabling, whether showing or not, must obey all FEI Rules.

FEI JOG: Unless stated otherwise in the FEI Definite Schedule, the Jog/Horse Inspection will take place on Tuesdays at 12:00pm in the FEI area. Any changes to the FEI Jog/Horse Inspection will be posted in the FEI area and the Horse Show Office. Both horse and rider must be current FEI members in order to present at the Jog/Horse Inspection.

Credentials are required for entrance to the FEI Compound at all times. Credentials are signed out by the FEI Office in the FEI Compound. Five passes will be issued per horse: Rider (1), Trainer of record signing the entry blank (1), Groom (1), and Owner of record as listed in the passport (2).

FEI HORSES MAY NOT COMPETE IN NATIONAL COMPETITIONS AND INTERNATIONAL COMPETITIONS DURING THE SAME EVENT.
(See FEI Jumping Rules, Annex VI for exceptions.)
