In the center, a young girl with her hair in a ponytail, wearing a blue and purple patterned tank top and having colorful face paint on her cheek, is laughing with her arms raised. To her left, a boy in a purple shirt is also laughing, with a spray of golden confetti or glitter coming from his hands. The air is filled with numerous large, iridescent bubbles that catch the light. In the background, other children are visible, including a boy in a green shirt and another in a plaid shirt. ITINERARY:

A Getaway Weekend at Tryon Resort

Escape heavy traffic, long lines and life's hurried pace for some downtime in the scenic Western North Carolina foothills and mountains at Tryon Resort. Designed with the horse lover in mind, this equestrian lifestyle destination's busy competition calendar is bustling in early fall and slows down in the winter, and is the perfect retreat for a peaceful getaway. Whether you're searching for fall foliage and adventure, holiday events, or a quiet weekend retreat, Tryon Resort is the perfect escape.

Tryon Resort offers a variety of onsite lodging, diverse restaurants, shopping, equine simulator lessons, and nearby amenities like golf and clay pigeon shooting. The region is bookended to the west by the Blue Ridge Mountains, which offer a plethora of outdoor adventures all fall and winter long, including leisurely strolls if you want to keep your blood pressure low. Tryon Resort is also centrally located an hour or less between Asheville, Charlotte and Greenville, leaving you with plenty of opportunities to enjoy an extended getaway surrounded by the Carolinas' gorgeous natural beauty while making it easy to reach from three major airports.

STAY:

For a cozy and intimate retreat, try one of our signature one-bedroom "tiny house" cottages onsite. You'll have everything you need at your fingertips, but none of the chaos and clutter of everyday life. Bringing the kids along, or need a little more space? Our spacious three and five-bedroom riverside log cabins can keep your whole crew comfortably.

DINE:

You won't have to go far to find delicious options to satisfy every craving or any palette, from artful sushi to classic American diner fare, local and organic favorites, and delicious Italian cuisine at our onsite restaurants. See our recommendations below, and learn more about each restaurant on page 36.

Best Sushi Ever: For sushi that's almost too gorgeous to eat, but delicious at every bite, be sure to stop by and enjoy Chef James' creations at Blue Ginger Sushi. There are plenty of non-sushi options for those who aren't fond of seafood, too, from ramen and soup to noodles and more. You'll often find a winter special at Blue Ginger, so be sure to stop in for great deals, too!

Best for Kids: Roger's Diner is home to all your classic American favorites, from breakfast served all day to burgers, salads, and classic banana splits and sundaes. Roger's Diner is open daily.

Best for Lunch On-the-Go: Located inside the General Store, the Pony Express Deli is a delicious and convenient way to grab sandwiches, wraps, and salad, perfect for a to-go lunch for a hike or outdoor adventure. You'll also find specialty chocolates, pastries, ice cream and coffee behind the counter. While you sit and enjoy your lunch, you can also browse the store for keepsakes, Tryon Resort apparel, or any sundries you may need for the weekend!

Best for Date Night: For a high-end dining experience without the dress code, try Legends Grille to enjoy organic and local favorites that are sure to satisfy. From famed tacos to bison burgers and delectable desserts, plus a full bar that can craft personalized cocktails just to your liking, you won't want to miss out on this signature Tryon Resort restaurant.

Best for Large Groups: Sundays at Campagna are for endless crab legs and all the Italian favorites your heart desires, from pasta and lasagna to salads and flatbreads. The all-you-can-eat crab legs winter special is a must for your weekend and is a total crowd-pleaser!

EQUINE SIMULATOR

For Those Who Love Learning

TIEC offers training on the world-class equine simulator invented by Racewood Equine Simulators. Instructor Barbro Ask-Upmark is a USDF Gold, Silver and Bronze medalist, providing onsite instruction to novice and professional riders alike in Dressage or Jumping. Private lessons are available by appointment only.

With three big interactive screens and new, cutting- edge technology, this Simulator is the first and only one in the world that can do EVERYTHING! Ride on a lifelike “horse” that is 100% obedient, responding to your seat, legs and hands, for a great ride every time.

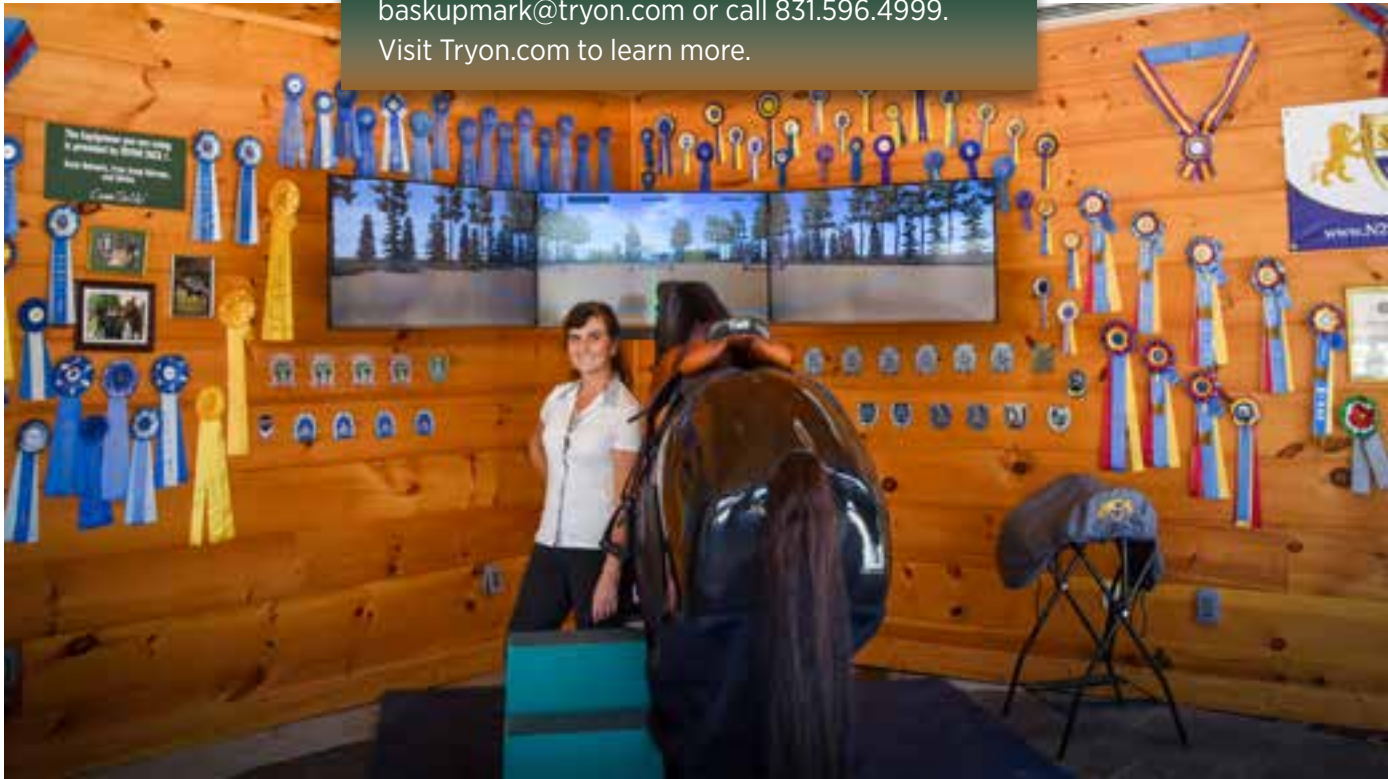

With the instructor standing next to you, you are able to perfect your seat and posture in all gaits, connection to the bit, and your aid precision in all movements. This “horse” performs great, realistic piaffe and passage, and also can jump a Show Jumping course or go Cross-Country!

On the Simulator, your riding will greatly improve in a very short period of time, using exciting flight simulation technology to replicate the movement of a 15-hand horse.

Whether performing intricate Dressage steps, clearing 1.2m fences in a Show Jumping arena or on a fast-paced Cross-Country course, this “horse” can do it. Book your private session today!

For reservations and inquiries, please email baskupmark@tryon.com or call 831.596.4999. Visit Tryon.com to learn more.

AMERICAN HOBBY HORSE SERIES

For Kids Who Love Horseless Horse Showing

A favorite at TIEC on Saturday nights in July and October, competitive hobby horsing originated in Finland and has more than 10,000 active participants around the globe. Open to any participants under the age of 14, all that’s required for this horse-less sport is a hobby horse, a toy consisting of a stick with a horse head that participants “ride.”

HOW DOES IT WORK?

Riders 4 to 14-years-old complete a course of jumps with their hobby horse, scored for time, and will incur one fault for every rail knocked down while on course. The top eight placing participants will be awarded ribbons for each division, and special awards will be given throughout the event.

DIVISIONS AVAILABLE:

Ages 6&U: Cross-rails; 18in.
Ages 7-8: Cross-rails; 18in.
Ages 9-11: 18in; 2ft.
Ages 12-14: 2ft.; 2ft. 6in.

HOW DO I SIGN UP?

Visit Tryon.com/hobbyhorse to learn more and register. Participants MUST register online by 12:00pm on the day of competition to be eligible to compete for prizes.

THE SPECTATOR’S GUIDE

To Equestrian Competition

HUNTER/JUMPER HORSE SHOWS

A Hunter/Jumper horse show is a three to five-day event made up of many mini-events that take place in the show rings each day, called classes. There are three main class categories: Show Jumpers, Hunters, and Equitation. Classes are further subdivided by rider age and experience level, skill of the horse, size or age of the horse or pony, etc., all of which determine what size and type of a fence the horses and riders will jump.

HUNTERS

Hunt seat competitions are based upon elegant traditions arising from the foxhunt. Hunters differ from Jumpers because they are judged on the style, movement, and technical proficiency of the horse and rider within the constraints of the set course design. Hunters should display jumping ability, manners, style, an even pace, and quality.

EQUITATION

Equitation competition is offered for junior and amateur riders and is judged based on the style and form of the rider. Horses are not judged in this discipline, but successful riders will ensure that their horses are well behaved. Riders can be judged over fences or on the flat.

GRAND PRIX SHOW JUMPING

Jumping is the best-known and is also one of the three Olympic equestrian sports, along with Dressage and Eventing. As in all equestrian sports, men and women compete on equal terms. The Olympic sport of Grand Prix Show Jumping is the highest and most challenging level of Jumping competition. Riders compete over a set course of obstacles as tall as 1.60 meters (5.25 feet) in height. They must clear all of the fences without knocking down a rail and within the time allowed in order to return for the second round, also known as the “jump-off,” and be the fastest with the least faults to win.

GUIDE TO SHOW JUMPING SCORING

Penalties in Show Jumping competitions are referred to as “faults.” Knocking down a rail or a pole on a jump is 4 faults, as is putting a foot in the water jump or the first refusal. In Table II jumper classes, falls and going off-course result in elimination, as does a second refusal.

Show Jumping Faults and Penalties:

- Knocking over a jump: 4 faults
- Refusing a jump: 4 faults
- Two refusals: Eliminated
- Rider falls off: Eliminated
- Over the time allowed: 1 fault for every second or portion thereof over the time allowed.

CONCOURS DE SAUT INTERNATIONAL - CSI

CSI is the ranking system for Show Jumping. CSI is broken down into a starring system, the higher the prize money the higher number of stars: e.g. CSI 5* prize money is over \$300,000. CSI-W is a Show Jumping world cup competition.

DRESSAGE

Dressage is a competitive equestrian sport, defined by the Federation Equestrian International (FEI) as “the highest expression of horse training.” The rider will be relaxed and appear effort-free while the horse willingly performs the requested movement. In modern Dressage competition, successful training at the various levels is demonstrated through the performance of “tests,” which include a prescribed series of movements ridden within a standard arena. Dressage is considered the most artistic of the equestrian sports. The Freestyle is specially choreographed and performed to music.

CONCOURS DE DRESSAGE INTERNATIONAL-CDI

CDI notes the ranking system for Dressage with the same starring system as for Show Jumping.

PARA-DRESSAGE

Para-Dressage is conducted under the same basic rules as conventional Dressage, but with riders divided into different competition grades based on functional abilities. There is no greater evidence of the incredible bond, trust and communication between horse and rider than in Para-Dressage. This Paralympic sport is a humbling reminder of the strength of the human spirit.

EVENTING

Eventing, one of the three Olympic equestrian disciplines, is a formidable combination of Dressage, Cross-Country, and Show Jumping, done over three days and with the same horse for each phase of competition. Often known as the triathlon of the equestrian world, Eventing is a sport that tests both the horse and rider in all aspects of horsemanship and athleticism.

GLADIATOR POLO™

Gladiator Polo™ is a professional arena polo league that combines the world’s best polo players with modified rules that keep the play fast. The event is played in a ring with all-weather footing approximately 1/10th of the dimensions of a typical grass polo field for an engaging and spectator-friendly sport. There are three players on each team, with six “chukkers” (or periods of play) within each match. Learn more at GladiatorPolo.com.

REINING

Reining originates from the working movements of horses and riders when herding cattle and is a judged event designed to show the athletic ability of ranch-type horses in an arena setting. With large fast circles, flying lead changes, 360-degree spins and sliding stops all required within individual performances, Reining is one of the only Western disciplines featured at TIEC on an annual basis.

FEI

Fédération Équestre Internationale (FEI) is based in Lausanne, Switzerland and is the governing body for all Olympic equestrian disciplines.
