WORKING HARDER

to Keep You Healthier

The key to a great competition is preparation.

Learning to practice the right things right is the most significant first step to having a successful competition. Incorporating hill work, cavaletti work, and jumping not only challenges your horse's intellect, but it also ensures a well-rounded fitness regime.

Likewise, at St. Luke's, we know that we need to practice the right things right to become a better hospital. It's been arduous work, but we've earned **5-Stars** for patient experience. There are 6,146 hospitals in the United States. And we are one of only 266 hospitals nationwide to make this distinction.

The intentional practice has made us a much better hospital. Compare for yourself at [medicare.gov/hospitalcompare/search.html](https://www.medicare.gov/hospitalcompare/search.html)

**For FEI class information, entry fee and class specifications see FEI section definite schedules at www.fei.org.
The FEI Definite Schedule supersedes any information regarding FEI classes/competitions that is printed in this prize list.**

FEI COMPETITORS IMPORTANT INFORMATION

Exhibitors are responsible for having their Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Definite Schedule each week. Definitive entries must be made to your Federation by the Thursday prior to the competition week unless otherwise stated in the Schedule. This Federation weekly declaration is the automatic nomination into the Jog. The Horse Show Office will determine the entries for each and every FEI week based solely off of the Definite Entries submitted on the FEI Entry System for that week. The athlete must manually withdraw any horse he/she does not plan to show before the jog to avoid paying the Late Withdrawal Fee as indicated in the FEI Schedule. Proper entries and withdrawals in the Jog are the sole responsibility of the athlete. We ask that you only declare the number of horses that are allowed each week. We will allow substitutions made by Federations up until 1 hour prior to the Jog/Horse Inspection.

Class Declarations must be done in the Horse Show Office each week on an official Add/Scratch sheet no later than 4:00pm the day before the class is held unless otherwise noted. Declarations made after that time may be accepted by Management only and, if accepted, will result in that horse going first in the order (draw) in the competition in question.

FEI STABLING: Please notify the Stabling Office each week BEFORE the Jog/Horse Inspection/stabling time to secure your stall location. FEI Entry Fee includes one stall. Additional FEI stalls, if available, are \$325.00 per additional stall per week. Stables will be open to receive horses per the FEI Definite Schedule. All horses being admitted to FEI Stabling must be accompanied by a current temperature slip and Passport. Any early arrivals must be approved by the Stabling Manager. All horses living in FEI stabling, whether showing or not, must obey all FEI Rules.

FEI JOG: Unless stated otherwise in the FEI Definite Schedule, the Jog/Horse Inspection will take place on Tuesdays at 12:30pm in the FEI area. Any changes to the FEI Jog/Horse Inspection will be posted in the FEI area and the Horse Show Office. Both horse and rider must be current FEI members in order to present at the Jog/Horse Inspection.

Credentials are required for entrance to the FEI Compound at all times. Credentials are signed out by the FEI Office in the FEI Compound. Five passes will be issued per horse: Rider (1), Trainer of record signing the entry blank (1), Groom (1), and Owner of record as listed in the passport (2).

FEI HORSES MAY NOT COMPETE IN NATIONAL COMPETITIONS AND INTERNATIONAL COMPETITIONS DURING THE SAME EVENT.

(See FEI Jumping Rules, Annex VI for exceptions.)

Please visit www.ryegate.com/uset.php Upcoming classes to determine which classes will be included in the Rolex Computer Ranking List.

- C. Ties will be decided by determining which athlete/horse combination has the most first place finishes in the classes specified below at their respective height.
- D. Zone Jumper Team Championships must accept up to a maximum of 192 athlete/horse combinations. A maximum of eight teams per section will be accepted.
- E. Athlete/horse combinations wishing to compete in the 1.10/1.15m Championship may not have competed in a class held at a height over 1.25m within the current qualifying period up through the championship. - K. Substitutions
 - Once the definite entries are secured, and up to 14 days preceding the Monday of the Championship, if an eligible athlete/horse combination is unable to compete at the Championship, the space will be filled by the next available combination from the frozen point standings list. If a horse is unable to compete and that athlete has another horse that is eligible to compete in the respective championship section and within the standings list cutoff, the substitution will be allowed based on that athlete/horse combinations point standing from the frozen qualified list.
 - During the week of the Championship if an entry is not able to compete, the four-member team will be reduced to three. If a three-member team is reduced to two members, those athletes will compete as individuals.
 - If a team is unable to field at least three members, the remaining members may compete in the championship as individuals. the USHJA Jumper Technical Delegate.

- To hold a Zone Jumper Team Championship, a minimum of three teams must be entered in each section or combined section. Teams may be combined by sections, height, combined by zone, and/or combined section, height, and zone.
- It is the intention of the USHJA to allow as much flexibility as possible within the parameters of sound and fair competition, and good sport in the allowance of teams to be made up at events when competitors drop out or are eliminated due to sickness or injury. Example: A horse gets injured in the first class leaving only two athletes. A third athlete is available and riding as an individual. In this case a team can be made up from the three competitors and thus a team could be fielded for the team day.

L. Qualifying List

- Athlete/horse combinations for all three heights of the Zone Jumper Team Championships will be accepted from the USHJA Zone Jumper Team Championship Qualifying List found on the USHJA website, www.ushja.org/zonejumper.
- Combined Zones: Each Zone may send up to 16 qualified athlete/horse combinations per section. Should a Zone be unable to send 16 qualified athlete/horse combinations the other competing Zone may send more than their allotted 16 combinations until a maximum of 32 athlete/horse combinations per section have been accepted.

G. Waiver

- If an athlete has an extenuating circumstance and wishes to apply for a waiver to any of the requirements in Section I, he must apply to the USHJA explaining the circumstances and details. The respective zone-committee will evaluate the request and provide a recommendation to the USHJA Emerging Jumper Rider Task Force which will make the final decision whether to accept or deny the waiver.
- Waivers will not be granted for classes that do not meet the minimum fence height.
- In no case will a waiver include any classes that occur less than 45 days before the Championship when the point standings freeze.

H. Waivers must be submitted at least 45 days prior to the championships. Any waivers submitted after the deadline will not be considered.

I. Substitutions

- Once the definite entries are secured, and up to 14 days preceding the Monday of the Championship, if an eligible athlete/horse combination is unable to compete at the Championship, the space will be filled by the next available combination from the frozen point standings list. If a horse is unable to compete and that athlete has another horse that is eligible to compete in the respective championship section and within the standings list cutoff, the substitution will be allowed based on that athlete/horse combinations point standing from the frozen qualified list.
- During the week of the Championship if an entry is not able to compete, the four-member team will be reduced to three. If a three-member team is reduced to two members, those athletes will compete as individuals.
- If a team is unable to field at least three members, the remaining members may compete in the championship as individuals. If there are at least three individuals from different zones in a combined zone championship before the first competition, they may comprise a combined team upon approval of the USHJA Jumper Technical Delegate.
- To hold a Platinum Championship, a minimum of three teams must be entered. Teams may be combined by zone.
- It is the intention of the USHJA to allow as much flexibility as possible within the parameters of sound and fair competition, and good sport in the allowance of teams to be made up at events when competitors drop out or are eliminated due to sickness or injury. Example: A horse gets injured in the first class leaving only two athletes. A third athlete is available and riding as an individual. In this case a team can be made up from the three competitors and thus a team could be fielded for the team day.
