## Race Day Tips for Success!

- If you have a rail space that has an incline, park on the level space just in front of your rail space.
- FLAT bottom and comfortable shoes recommended! This is a hilly, grass field.
- Please review what items are prohibited from the venue [here](#).
- Note that pets are NOT PERMITTED.
- Don't forget your tent permit! If you don't yet have one, [purchase it here](#).
- Bring plenty of heat-friendly food, cold drinks and don't forget the WATER. Make sure to stock your coolers with ice in case of hot weather. A food truck will be available inside the infield.
- You may want to bring a table to set out your food or use your trunk.
- Pack the sunscreen, bug spray and hand sanitizer.
- Personal umbrellas make great shade and are easy to pack. Beach umbrellas are not permitted.
- Tag us on social media [@tryonresort](#) and you might be featured!

# The Heidi Cup - Best Tailgate Award

presented by

Are you a tailgate master? The group with the best tailgate setup will receive the inaugural Heidi Cup presented by [Odom Engineering](#).

Judging begins at 11:30am, so make sure you are set up by then if you want to be considered.

**The winner and runner up will receive a Yeti cooler prize!**

Special thanks to Odom Engineering for doing all of our engineering work to prepare for this awesome historical event!

## Hat & Crazy Pants Contest

The Steeplechase Hat & Pants Contest is a long-standing tradition at the Tryon Block House Races.

This year since we are not gathering infield, volunteers will go around the track to all the tailgates and take photos of their favorite hats and pants.

Then, the photos will be posted on Facebook the following week for people to vote on their favorite!

**Have your fancy hats and/or crazy pants on and ready to go by 11:30am** when the judges start circling the track.
