WORKING HARDER

to Keep You Healthier

The key to a great competition is preparation.

Learning to practice the right things right is the most significant first step to having a successful competition. Incorporating hill work, cavaletti work, and jumping not only challenges your horse’s intellect, but it also ensures a well-rounded fitness regime.

Likewise, at St. Luke’s, we know that we need to practice the right things right to become a better hospital. It’s been arduous work, but we’ve earned **5-Stars** for patient experience. There are 6,146 hospitals in the United States. And we are one of only 266 hospitals nationwide to make this distinction.

The intentional practice has made us a much better hospital. Compare for yourself at [medicare.gov/hospitalcompare/search.html](https://www.medicare.gov/hospitalcompare/search.html)
