USPC Festival has opportunities for all equestrians from USPC Championships to Educational Clinics.

Welcome to the 2022 USPC Championships East. The Pony Club program impacts and changes the lives of its members daily through the development of riding, horse management, leadership, and sportsmanship skills. We are very excited to return to the Tryon International Equestrian Center for our USPC Championships East competition. Congratulations on being part of these 2022 Championships! We are delighted to have you here for this exciting and enriching experience.

USPC Championships are about so much more than the competition that each of you will enjoy. They are about meeting new friends, facing interesting challenges, and sharing the experiences and almost certain differences that each of you brings to Mill Spring.

I want to thank everyone that worked together to make these championships possible! Pony Club is built upon the work of dedicated and hard-working volunteers. Please make the time to thank those many volunteers who have made these competitions and experiences possible for you and your fellow competitors.

I wish each of you success and hope that you have a lot of fun as you enjoy the discipline of your choice. Remember, "It is the enjoyment of the game well played, taking winning or losing in stride..." that is the key to making this a special experience. Represent your center, club and region proudly and celebrate the Pony Club bond that brings us all together.

Sincerely,

Jennifer Sweet  
President, United States Pony Clubs

## THE PONY CLUB PLEDGE

*As a member of the United States Pony Clubs, Inc., I stand for the best in sportsmanship as well as in horsemanship. I shall compete for the enjoyment of the game well played and take the winning or losing in stride, remembering that without good manners and good temper, sport loses its cause for being. I shall endeavor to maintain the best tradition of the ancient and noble skill of horsemanship, always treating my horse with consideration due a partner.*

Dear Competitors,

Congratulations on qualifying for the 2022 USPC Championships East at Tryon International Equestrian Center & Resort (TIEC)!

We are excited to welcome this spectacular event back to our venue, and look forward to hosting you and your families. Tryon Resort is for all who love horses in all disciplines, and we appreciate the contributions that US Pony Club makes toward developing a life-long love of the horse.

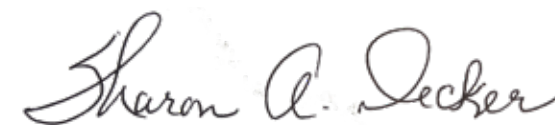

We are honored to be a part of this important experience for competitors, and proud of everyone competing here this week. Your dedication, hard work and passion for equestrian sport has led you to this significant milestone. We celebrate your achievements and look forward to cheering you on!

We have tons of fun planned for you this week. View the highlights on page 12!

Congratulations once again on your incredible accomplishments! For additional information about our facility, amenities and area, please view our digital Visitor Guide at [Tryon.com/visitorguide](http://Tryon.com/visitorguide). You can also find everything from restaurant hours to helpful contacts at [Tryon.com/thisweek](http://Tryon.com/thisweek).

We are so glad you're here, and we look forward to hosting the most memorable and successful Championships East ever!

Sincerely,

Sharon Decker

## EDUCATIONAL WORKSHOP INFORMATION

Workshops are open to everyone and required for Modified Championships competitors. Check discipline schedules for specific times and locations.

### Dressage - Ask the Judge

When you enter the arena, the dressage judge's eyes will follow you and your mount for the next few stressful minutes. However, what's going through their mind as they watch you? USPC Championships East dressage judges share their thoughts and opinions on how to improve your dressage ride, and final score.

### Eventing - Cross-Country Course Walk sponsored by Ride IQ

Join cross country course designer, John Michael Durr, and learn the thought processes behind each fence and all variables you may encounter on course. All levels of competitors (and their support squads) are invited to join. This walk is sponsored by USPC partner Ride IQ (Ride-iQ.com).

### Games - Strategies for Games Play

Who knew there was more to playing mounted games than just going fast? This workshop covers strategies for creating effective lineups, improving teamwork among members, and specific gameplay scenarios according to the various games being played.

### Quiz - Protecting Your Investment

Were you planning on purchasing some new or new-to-you tack in the new year? Learn how to protect and maintain your tack and equipment to maximize longevity and get exceeds standards on your turnout inspections.

### Polocrosse - Learn Winning Tricks

Polocrosse isn't all speed! Come learn racquet tricks and game plays with top level, International players that started in Pony Club!

### Show Jumping - What is an Equitation Judge Looking For?

How your equitation round is scored? The equitation judges will discuss what they are looking for in an equitation round and how it is scored.

### Tetrathlon - Shooting

Learn to perfect the one phase that you have the most control over. Get tips from Olympic shooters on shooting stance, sighting-in your pistol properly, breathing techniques, and how to practice for a consistent score every time.

# PONY CLUB DISCIPLINES DURING CHAMPIONSHIPS

## DRESSAGE

The object of Dressage is the harmonious development of the horse and rider in both mind and body. Every horse, regardless of type or use, can benefit from this training. Dressage requires the horse and rider to combine strength and agility with the elegance and beauty of ballet. Dressage tests are competitions where riders and horses show off their skills. Tests are ridden in an arena with letters marking certain points. The test includes a specific set of figures and gait transitions.

## EVENTING

The sport of Eventing is the ultimate test of a horse and rider's versatility, fitness, and stamina. It's often described as an equestrian triathlon because it has three phases of competition, including dressage, cross-country, and show jumping. Dressage is the first phase, demonstrating strength, suppleness, and obedience. Next is the exciting cross-country phase, proving the speed, endurance, and jumping ability of the horse over solid obstacles and varied terrain. The final phase, show jumping, requires fitness and precision to navigate a course of obstacles.

## MOUNTED GAMES

Mounted Games is a series of relay races on horseback where the riders must perform different tasks while riding at speed and working as a team to complete each relay. Games starts at the walk-trot level, and relays run the gamut from slower-paced with precision handling to a fast pace with faultless execution. Hand-eye coordination and agility are honed by tasks like picking up objects on the ground while mounted, weaving through poles at high speeds, dunking an object into a basket at a full gallop, and passing a baton to another team member without slowing the mount.

## HORSE MANAGEMENT

Horse Management is an integral part of Pony Club at all levels of the organization: teaching and learning about horse care has always been the foundation for Pony Club. Horse Management encompasses all aspects of horse care, including health, maintenance, nutrition, and handling. The goal of Horse Management is to create a safe, knowledgeable, well-rounded horse person.

## POLOCROSSE

Polocrosse is a game related to polo but played with a racquet similar to lacrosse. It's played with a ball made of soft rubber that bounces well and is caught, thrown or carried in the net of a cane racquet. Teams play on a grass or dirt field and score points by throwing the ball through their opponent's goal posts. Polocrosse develops confident riding ability while improving hand-eye coordination.

## QUIZ

A Quiz competition is an unmounted team activity unique to Pony Club that tests a Pony Club member's knowledge of horsemanship and horse care in several rounds of questions and hands-on activities. Some portions of the competition are individual, and other phases require members to work cooperatively as a team. The Quiz competition format is designed to test knowledge in different ways that are challenging, creative, and fun.

## SHOW JUMPING

Show Jumping is an exciting competition as horse and rider negotiate a course of obstacles within an arena. It utilizes the horse's athletic ability as well as the rider's skill in planning the proper lines and approaches to allow the horse to clear the obstacles. The jumps are colorful and of varying heights and widths and can be easily knocked down. The goal of the horse-and-rider combination is negotiating the course without knocking down a rail or disobediences.

## TETRATHLON

Tetrathlon is a challenging four-phase competition with riding, running, shooting, and swimming. The sport requires both horsemanship and general athletic ability and offers the chance for Pony Club members to combine their interest in riding and multiple sports. Tetrathlon is considered a developmental discipline for Modern Pentathlon.

## WESTERN DRESSAGE

Western Dressage evolved from the ranching and working horse traditions of the cowboys in the American West. Western Dressage promotes balance, rhythm, and carriage in the horse. As a relatively new equestrian sport, Western Dressage blends together training techniques from classical dressage and western horsemanship.

**Earn money and prizes for your region while you support Pony Club.**

**THE MORE YOU RAISE, THE MORE YOU'LL RECEIVE!**  
 Each Pony Club region will receive 10% back of the total amount raised by their region during the Regional Challenge.

The online campaign will go live on Sept. 1 and every region will have their own fundraising page. Donations go to the 2022 USPC Annual Fund, which supports all members of Pony Club.

Let's see which region can raise the most money and secure the most donors to support the USPC Annual Fund!

*The region that raises the most money will win an exclusive live Regional Zoom party sponsored by Ride iQ with world-class coaches, riders and special guests.*
